Winter

SHOW

Welcome to the show!

Ladies and gentlemen, it's showtime! Welcome to our winter recital, Do You Want to build a Snowman! We're thrilled to present a spectacular show, featuring the hard work and dedication of our dancers this semester. It's been a fabulous year so far, and we can't wait to celebrate the holidays with you all today.

First up today, get ready to be swept away by the magical world of Arendelle, our enchanting ballet adaptation of Frozen! After that, we'll take a quick break and let our studio dancers take the stage and show off their holiday moves. This is the perfect way to mark the halfway point of our year, a casual showcase of the amazing talent we have here. So sit back, relax, and let's dance our way into winter wonderland!

A note from our studio owner
Miss Ali

Thank you for coming to our show today! Your support of our program means the world to us all and we are so glad to have you! Watching these dancers grow and develop as strong dancers and humans is one of the greatest joys that we, as teachers, are able to experience. Moments like this, when they are able to take the stage and step into their own confidence are so special and we can't wait to share these moments with you today. A huge thank you goes out to the entire HMD staff for working hard to make the recital happen. I would also like to take a moment to thank all of our parent helpers who pitched in with steaming and rhinestoning and those who have stepped up to help make this weekend run smoothly. Finally, thank you to all of you who continue to support our studio and all of these wonderful dancer! Enjoy the show!

Arendelle

A Note from our Ballet Director Miss Briana

Welcome friends and families to HMD's Third Annual Ballet Production "Arendelle"
Our take on Disney's Classic "Frozen" is a fun production for all ages.
I am so glad you joined us for this magical winter experience.

It all begins with Two sisters Elsa and Anna, who experience an epic turn of events when Arendelle is accidentally cursed into an infinite winter. Anna, with the help of some newly made friends, races against time to save their kingdom from winter's icy grip with an act of true love.

Creating a Ballet is truly a group effort;

Everyone has a piece of ownership in the creative process!

Without these Amazing people this production would not be possible.

Thank you Ali, for your trust, helping me stay grounded, helping me organize my thoughts and for your unlimited imagination and ideas throughout this entire process.

Thank you to Abbey, for helping me bounce ideas, creating fun and dramatic choreography and creating wonderful costumes and props for this production. Thank you Claudia, for being another brain for me and offering so many great ideas as well as keeping me on track. Thank you to our dancers! You all have grown so much and you all have worked so hard to bring this ballet to life.

I, as well as all of the HMD Staff, am so proud of each and every one of you.

Thank you to the entire HMD Staff for being our personal hype crew!.

Thank you to our studio parents who are always ready to help steam and prep costumes.

Thank you to my parents for all your advice from set pieces to lighting suggestions.

Thank you to my Husband Kevin for helping me build, paint and measure set pieces and ribbon.

Thank you to my "Miss Kari" for all you do for me.

Thank you to the production team and lighting crew.

And Finally none of this would be complete without Thanking YOU! The audience.
Thank you for all of your continued support for our studio and our ballet productions.

Please enjoy this magical journey to Arendelle.
